LEASE ASSIGNMENT AND ASSUMPTION AGREEMENT

(Barclays 1986)

THIS LEASE ASSIGNMENT AND ASSUMPTION AGREEMENT dated and effective as of December 13, 2001 (this "Assignment"), is made by and between Solvay Polymers, Inc., a Delaware corporation ("Assignor"), and AJV Polymers, L.L.C., a Delaware limited liability company ("Assignee").

1. PARTICIPATION AGREEMENT, EQUIPMENT LEASE AGREEMENT AND MASTER US AGREEMENT. Reference is made to the following agreements; in each case as such agreements have been amended, modified or supplemented from time to time:

(a) Participation Agreement dated as of September 1, 1986 (the "Participation Agreement"), among (i) Solvay Polymers, Inc., successor in interest to Soltex Polymer Corporation, as Lessee, (ii) Allfirst Bank, successor in interest to BarclaysAmerican/Leasing, Inc., as Owner, (iii) State Street Bank and Trust Company, successor to The Connecticut Bank and Trust Company, National Association, as Agent, and (iv) Connecticut General Life Insurance Company and The Lincoln National Life Insurance Company, as current Lenders;

(b) Lease of Railroad Equipment dated as of September 1, 1986 (the "Lease"), between the Owner and Assignor; and

(c) Master US Agreement dated as of August 4, 2001 (the "Master US Agreement"), by and among BP Amoco Polymers, Inc. ("BP API") and Assignor. Pursuant to the Master US Agreement, Addendum C to the Master US Agreement ("Addendum C") and the Contribution Agreement (as defined in the Master US Agreement), the HDPE US Leased Equipment and the HDPE US Contracts (each as defined in Addendum C), including the Lease, are to be assigned and transferred to Assignee.

2. DEFINITIONS. Each capitalized term used in this Assignment and not otherwise defined herein shall have the meaning specified in the Participation Agreement or in the Lease, as applicable. As used herein, the term "Lessee Documents" means the Participation Agreement and the Lease.

3. ASSIGNMENT AND DELEGATION. Assignor hereby assigns to Assignee an undivided 49% interest in and to all of Assignor's rights and benefits, and Assignor hereby delegates and transfers to Assignee an undivided 49% interest in and to all of Assignor's obligations and duties, under or in connection with the Lease, the Participation Agreement and each of the other Basic Agreements, in each case, to the extent accruing, arising or attributable to the period from and after the date hereof (collectively, the "Transferred Rights and Obligations").

4. ACCEPTANCE OF ASSIGNMENT AND DELEGATION. Assignee hereby accepts the assignment and the delegation of the Transferred Rights and Obligations; and Assignee agrees to be bound by, and agrees promptly to perform or cause to be performed, the terms, conditions and covenants agreed to be done, kept and performed by Assignor arising on and after the date hereof under any one or more of the Lease, the Participation Agreement and each of the other Basic Agreements.

5. INDEMNITIES. Assignee agrees to defend, indemnify, save and hold harmless Assignor from and against any and all claims, demands, costs, expenses, reasonable attorneys' fees and any other damages, losses or injuries (collectively, "Claims") which Assignor may sustain as a result of any failure or delay by Assignee in performing the obligations and duties assumed by Assignee pursuant to this Assignment. Assignor agrees to defend, indemnify, save and hold harmless Assignee from and against any and all Claims which Assignee may sustain as a result of any failure or delay by Assignor in performing the obligations and duties under the Basic Agreements prior to the date hereof.

6. SECURITY INTEREST IN FAVOR OF AGENT. Assignee acknowledges that, pursuant to Section 23 of the Lease, (i) Lessor has assigned, transferred, conveyed, sold and/or encumbered the Lease, the Equipment and the Rent payments (other than Excepted Payments) thereunder to the Agent and (ii) that Lessee is required to pay directly to the Agent all Rent payments (other than Excepted Payments) and (iii) that the Equipment leased under the Lease has been mortgaged by Lessor under the Conditional Sale Agreement in favor of the Agent. Assignee specifically accepts assignment of the Lease subject to the provisions of Section 23 thereof, and agrees to be bound thereby and comply therewith.

7. FURTHER ASSURANCES. Assignor and Assignee hereby covenant and agree to execute, acknowledge and deliver all and every further assignment, bill of sale and other instrument and to do such further acts as either party reasonably may deem necessary or appropriate more fully to assure it and its successors and assigns that this Assignment has validly assigned and delegated the Transferred Rights and Obligations.

8. REPRESENTATIONS AND WARRANTIES OF ASSIGNOR. Assignor represents and warrants as follows:

(a) Assignor is a corporation that has been duly organized and is validly existing and in good standing under the laws of the State of Delaware, has all requisite corporate power and authority to enter into and perform its obligations under this Assignment.

(b) Assignor is duly authorized by all necessary corporate action to execute and deliver this Assignment and to fulfill and comply with the terms, conditions and provisions hereof, and this Assignment has been duly executed and delivered by Assignor.

(c) There are no actions, suits or proceedings pending or, to the knowledge of Assignor, threatened against or affecting Assignor or any of its property or rights before any Authority that (i) question the validity of this Assignment or Assignor's ability to perform its obligations hereunder or under the Lessee Documents or (ii) if adversely determined, would materially and adversely affect the ability of Assignor to perform its obligations hereunder or under any of the Lessee Documents.

(d) Neither the execution and delivery of this Assignment, nor Assignor's compliance with the terms and provisions hereof, (i) conflicts with, results in a breach of, constitutes a default under (with or without the giving of notice or the lapse of time or both), or violates any of the terms, conditions or provisions of, (A) the Articles of Incorporation or the By-Laws of Assignor or (B) any bond, debenture, note, mortgage, indenture, agreement, lease or other instrument to which Assignor is now a party or by which it or its property is bound, where such conflict, breach, default or violation, in the case of any of the instruments described in this subclause (B), would have a material adverse effect on the business, results of operations, assets or financial condition of Assignor or (ii) results in the creation or imposition of any Lien upon the Equipment (other than Permitted Liens) pursuant to the terms of any such certificate, by-laws, bond, debenture, note, mortgage, indenture, agreement, lease or other instrument.

(e) This Assignment constitutes the legal, valid and binding obligation of Assignor, enforceable against Assignor in accordance with its terms, except as may be limited by bankruptcy, insolvency and other laws of general application relating to the enforcement of creditors' rights and by general equitable principles.

(f) No Lease Default or Lease Event of Default has occurred and is continuing.

9. REPRESENTATIONS AND WARRANTIES OF ASSIGNEE. Assignee represents and warrants as follows:

(a) Assignee is a limited liability company that has been duly formed and is validly existing and in good standing under the laws of the State of Delaware, has all requisite limited liability company power and authority to carry on its business in all material respects, to own or hold under lease its property and to enter into, and perform its obligations under, this Assignment and each Lessee Document, and is duly qualified and is in good standing in each jurisdiction where the failure to so qualify, due to the character of its properties or the nature of its activities, could reasonably be expected to have a material adverse effect on its business, results of operations, assets or financial condition or would materially and adversely affect the ability of Assignee to perform its obligations under this Assignment or any Lessee Document.

(b) Assignee is duly authorized by all necessary limited liability company action to execute and deliver this Assignment and to fulfill and comply with the terms, conditions and provisions hereof and of the Lessee Documents, and this Assignment has been duly executed and delivered by Assignee.

(c) Each of this Assignment and the Lessee Documents constitutes the legal, valid and binding obligation of Assignee, enforceable against Assignee in accordance with its terms, except as may be limited by bankruptcy, insolvency and other laws of general application relating to the enforcement of creditors' rights and by general equitable principles.

(d) There are no actions, suits or proceedings pending or, to the knowledge of Assignee, threatened against or affecting Assignee or any of its property or rights before any Authority that (i) question the validity of this Assignment or Assignee's ability to perform its obligations hereunder or under the Lessee Documents or (ii) if adversely determined, would materially and adversely affect the ability of Assignee to perform its obligations hereunder or under any of the Lessee Documents.

(e) Neither the execution and delivery of this Assignment, nor Assignee's compliance with the terms and provisions hereof and with the terms and provisions of the Lessee Documents that are applicable to Assignee, (i) conflicts with, results in a breach of, constitutes a default under (with or without the giving of notice or the lapse of time or both), or violates any of the terms, conditions or provisions of, (A) the Limited Liability Company Agreement of Assignee or (B) any bond, debenture, note, mortgage, indenture, agreement, lease or other instrument to which Assignee is now a party or by which it or its property is bound, where such conflict, breach, default or violation, in the case of any of the instruments described in this subclause (B), would have a material adverse effect on the business, results of operations, assets or financial condition of Assignee or would materially and adversely affect the ability of Assignee to perform its obligations under this Assignment or the Lessee Documents or (ii) results in the creation or imposition of any Lien upon the Equipment (other than Permitted Liens) pursuant to the terms of any such limited liability company agreement, bond, debenture, note, mortgage, indenture, agreement, lease or other instrument.

(f) Neither the execution and delivery by Assignee of this Assignment, nor the fulfillment of, or compliance with, the terms and provisions of this Assignment and with the terms and provisions of the Lessee Documents that are applicable to Assignee, conflicts with, or results in a breach of, or violates, any of the terms, conditions or provisions of any law, rule, regulation, order, injunction or decree of any governmental authority applicable to Assignee, the breach or violation of which would (i) have a material adverse effect on Assignee, the Owner, the Agent, any Lender, the Equipment, or the Lien of the Conditional Sale Agreement, (ii) materially

and adversely affect Assignee's ability to perform its obligations under this Assignment or the Lessee Documents, or (iii) result in, or materially increase the risk of, the imposition of any criminal liability on Assignee or any Indemnitee.

(g) All federal, state, local and foreign income tax returns (if any) required to be filed by Assignee have, in fact, been filed, and all taxes which are shown to be due and payable (if any) in such returns have been paid. No material controversy in respect of additional income taxes due is pending or, to the knowledge of Assignee, threatened, which controversy if determined adversely would materially and adversely affect Assignee's ability to perform its obligations hereunder or under any of the Lessee Documents.

(h) Assignee is not an "investment company" or a company controlled by an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

10. Attached hereto as Schedule 1 is a list of the Operative Documents and other documents relating thereto that Assignor has provided to counsel to BP API, for the benefit of Assignee and BP API. Assignor hereby confirms that the documents identified in Schedule 1 are the only documents in Assignor's possession that constitute the binding contractual arrangement governing the Transferred Rights and Obligations, and that, to Assignor's knowledge, there are no amendments, supplements or other modifications thereto that have not been provided to Assignee. However, in the event that other material binding contractual instruments relating to the Transferred Rights and Obligations that have not heretofore been so provided are subsequently discovered, Assignor agrees to defend, indemnify, save and hold harmless each of Assignee and BP API from and against any and all Claims which either or both of Assignee and BP API may sustain as a result of the failure of Assignor to provide such other material binding contractual instruments on or prior to the date hereof, but solely to the extent such Claim represents any additional incremental liability (direct or indirect) on the part of BP API under or in connection with Operative Documents, of which liability BP API is unaware as of the date hereof due to any incompleteness of the documentation so provided.

The parties hereto may execute this Assignment in multiple counterparts, each of which shall be deemed an original for all purposes, but all of which together shall constitute one and the same instrument. To the extent that this Assignment constitutes chattel paper within the meaning of any applicable Uniform Commercial Code provision, no security interest in this Assignment may be created through the transfer or possession of any counterpart other than the original executed counterpart, which shall be identified for such purposes as the counterpart containing the receipt therefor executed by the Agent on the signature page thereof.

12. INTENDED BENEFICIARIES. Each of the Owner, the Agent and the Lenders is an intended third-party beneficiary of this Assignment, other than Section 10 hereof, and each such Person may enforce the Basic Agreements directly against Assignee to the same extent as such
